**COMPANY**  
**PROFILE**

MAKING A DIFFERENCE

**Nozinga Group Pty Ltd** is a multi-disciplinary hygiene services provider aimed at providing innovative, environmentally sustainable hygiene and facilities management solutions. Nozinga Group Pty Ltd was established in 2012, heeding the call to provision of green Facilities Management offerings in all sectors of the economy. To date, the group has managed to establish a footprint in the power generation, food and beverage and public sectors in the country.

**We are passionate about the work we do and the people we employ thus, we are registered with the Compensation for Injuries and Diseases.**

**We also subscribe to strict Occupational Health and Safety practices.**

Nozinga Group Pty Ltd specialises in Facilities Management Services, Cleaning, Hygiene, Pest control, Waste Management, Gardening Services and General Supplies solutions aimed at the industrial markets, bringing a unique flair of ingenuity and novelty to our clients.

We pride ourselves with commitment to excellence, quality and our constant endeavor to reduce the carbon footprint in all our offerings. Our SABS approved suppliers have developed products around the scope of current regulations and requirements as set out by International Environmental certification bodies.

**The group has national footprint in the following provinces:**

- North West
- Eastern Cape
- Western Cape
- Limpopo
- Kwa-Zulu Natal
- With its head office in Johannesburg, (Gauteng)

Mr Unathi Thonga is the Group Executive Director and is responsible for strategic business direction including sales and marketing. Unathi has extensive experience in Sales and Marketing, Total Facilities Management derived from a 12 year career in various spheres and sectors of the economy.

MAKING A DIFFERENCE

## Mission

Our mission is to utilise environmentally sustainable, innovative total facilities management solutions to provide excellent cost effective services to our clients. Whilst we seek to generate profits, it is within our mission to ensure that real benefits accrue to our clients.

## Vision

We strive towards embodying leadership in provision of customised turnkey hygiene and total facilities management services that exceed our client's expectations.

## Values

### Our values include:

- Striving towards service excellence
- Provision of exceptional quality services
- Loyalty and integrity to the clients that we serve
- Professionalism and ethical conduct in all our interactions
- Continuous improvement and innovation in all its forms

## Philosophy

Our goal is to provide pragmatic and market relevant services that aim to grow our business and expand our areas of operation, making a significant contribution to our client's environmental goals. At the core of the company lies the belief that innovation and service excellence are key success factors in achieving this. Thus, the ethos of our brand is entrenched in continuous improvement.
